 „ montanum 1/-.
 „ recurvum 1/-.
 „ rotundifolium 1/6. A rare Caucasian, grey roundish leaves.
 „ stylosum 1/-. Syria. Rose-lilac.
- Ajuga** reptans rosea. Pink Bugle.
- Allium** atrovioleaceum. Deep purple.
 „ caesium 1/-. From Turkestan.
 „ descendens.
 „ japonicum.
 „ Moly 1/6. Rare yellow flowered.
 „ roseum bulbiferum. Pink flowered, bulbils only.
 „ Tubergenii.
- Althaea** sulfurea, single yellow.
 „ Crimson King double.
 „ Rose Queen double.
- Alyssum** Borzacanum, yellow flowers
 „ pedemontanum 1/6. Very good rock plant.
 „ pyrenaicum 1/-. Rare Pyrenean, yellow flowers.
 „ Rochelii. Yellow.
 „ spinosum roseum 1/-. The rare pink form.
- Amaryllis** hybrida. Large trumpet flowers, deep pink.
- Anagallis** linifolia 1/6. Scarlet Pimpernel. Tender, Alpine House. Dry.
 „ tenella. Pale pink creeper.
- Andromeda** polifolia. Dwarf evergreen ericaceae.
- Androsace** albana 1/-. Pinkish umbels.
 „ arachnoidea 1/-. White flowers with deep eye, webbed rosettes.
 „ armeniaca 1/-. Asia Minor.
 „ ciliata 1/6. Green leaves, pink flowers.
 „ helvetica 1/6. Very compact grey tufts, white flowers.
 „ hybrida 2/-. hybrid of pubescens & helvetica.
 „ Lageri 1/6. Small leaves, pink flowers.
 „ Mathildae 1/-. White flowers.
 „ pedemontana 1/-. Hybrid of carnea and obtusifolia.
 „ pubescens 1/6. Compact, white flowers.
 „ pyrenaica 2/-. Very dense & compact rosettes, white flowers.
 „ sempervivoides 1/-. Pink flowers, stoloniferous.
 „ strigilosa 1/-. Pink flowers, woolly leaves.
- Anemone** globosa. Pink flowers, North American.
 „ grandis. Rich purple bells, Styria.
 „ nemorosa coelestris 1/-. Pale blue.
 „ palmata 1/-. Yellow flowers. Sun.
 „ rupestris. Pale yellow.
 „ trifoliata. Alpine Wood Anemone.
- Antirrhinum** latifolium. Wild type, yellow, South of France (Snapdragon).
 „ tortuosum. Wall plant, crimson flowers, somewhat tender.
- Aplopappus** coronopifolium 1/-. Dwarf orange compositae.
- Aposeris** foetida, (Hyoseris). Bright yellow heads. Grows in deep shade.
- Aquilegia** akitensis 1/6. Dwarf, pale blue flowers.
 „ ecalcarata 1/6. Spurless, deep brown-purple.
 „ flabellata nana 1/-. Dwarf large white flower.
 „ Kitaibelii, from Armenia.
 „ japonica, nice Japanese.
 „ lapponica, an interesting new variety.

- Aquilegia** lutea gigantea. Very large yellow flowers.
 „ nevadensis. Spain.
 „ olympica deep form.
 „ pubescens. Creamy-yellow.
 „ Reuteri 1/-. Beautiful blue species, rather dwarf.
 „ Skinneri. Red.
 „ vulgaris (common Columbine) type.
 „ „ atrocarminea, deep carmine.
 „ „ atropurpurea, deep purple.
 „ „ atrovioleacea, deep violet.
 „ „ alba, pure white.
 „ „ coerulea, blue.
 „ „ violet double.
- Arabis** coerulea, bluish.
 „ purpurascens, purple.
- Aralia** hispida, North American Shrub.
 „ nudicaulis. Shrub with pinnated leaves.
- Arenaria** gracilis. White flowers.
- Armeria** caespitosa 1/6. Stemless pink heads, compact cushions.
 „ rumelica. From Asia Minor.
- Aronicum** scorpioides. Bright yellow alpine compositae.
- Artemisia** caucasica. Silvery fol., white flowers.
 „ glacialis, silvery foliage.
 „ glauca, yellow flowers.
 „ laxa, silvery.
 „ pedemontana 1/-. Silky & finely divided leaves.
 „ sericea, silvery.
 „ spicata, silvery.
 „ stelleriana, downy foliage.
- Arum** arisarum. (Arisarum vulgare) Green-purple spathe, sagittate.
- Aselepias** Douglasii, Lilac-purple.
 „ princeps.
 „ speciosa, silvered foliage.
- Asparagus** dahuricus, fine foliage.
 „ polyphyllus.
 „ verticillatus, climbing, red berries.
- Aster** ageratoides.
 „ foliosus, pale blue, two feet plant.
 „ graminifolius, white flowers.
 „ hyssopifolius, white flowers, small leaves.
 „ macrophyllus, white, cordate leaves.
 „ Purdomii 1/-. Bright blue-lilac, yellow center.
 „ sericeus, violet.
 „ alpine dwarf mixed.
 „ border dwarf mixed, new varieties.
 „ border tall mixed, new varieties.
- Astilbe** Arendsii, pink.
 „ sinensis pumila, dwarf carmine flowered.
- Astragalus** alpinus, bluish-purple flowers.
 „ exscapus 2/-. Yellow stemless, rare.
 „ lusitanicus. New in culture.
 „ massiliensis. Spiny, white, bluish shades.
 „ serbicus. A Balkan form.
- Astrantia** elatior. A tall A. major.
 „ gracilis. Interesting small variety.
- Atragene** alpina alba 1/-. White form of the Alpine Clematis.
- Atraphaxis** sp. mixed.. Asiatic shrubs.
- Aubrietia** Aubrey Prichard.
 „ Ina den Onden.
 „ Lavender.
 „ Leichtlini Crimson.
 „ Lissadell Pink.
 „ Victoria.
 „ Vindictive. The colours of these hybrids cannot be guaranteed.
- Aucuba** japonica. Evergreen shrub, red berries.
- Bellium** crassifolium. Very minute corsican daisy.
- Berberis** aggregata, dwarf bush, yellow flowers.
- Borago** laxiflora 1/-. Pale blue, summer flowering.

- Borago** *orientalis*, blue, large leaves, shade.
Cacchrys *laevigata*. Umbelliferae from Portugal.
Calamintha *alpina*. Violet-purple.
 " *officinalis*.
Calycanthus *occidentalis*. Rare shrub, deep red flowers.
Campanula *carnica*. Graceful little blue-bells.
 " *cenisia* 2/-. Quite dwarf alpine, pale blue, rare.
 " *Kladniana* 1/-.
 " *Miranda*. Charming pale blue fl.
 " *persicifolia* «Telham Beauty». Large flowers, China blue, long fl. time.
 " *raddeana* 1/6. Violet bells, rare.
 " *ruthenica*.
 " *rotundifolia* major, numerous blue flowers, all the summer through.
 " *Wanneri* 1/-. (*Symphyandra*), purple flowers.
 " *Waldsteiniana* 1/6. Rare compact alpine.
Gaulophyllum *thalictroides*. Yellow flowers. North American Berberideae.
Celastrus *scandens*. Pale yellow flowers, woody climber.
Centaurea *Griesebachii*.
 " *nervosa*, light pink.
 " *prealta*, carmine.
Cerastium *balkanicum*, silvery foliage.
Cercidiphyllum *japonicum*. Japanese shrub.
Chamaerops *humilis* var. *nivalis*, hardy palm-tree, from high Atlas.
Chrysanthemum *maximum* var. *Mrs. Tersteeg*, white.
Chrysopsis *villosa* 1/6. Dwarf yellow.
Cicuta *virosa*, Hemlock.
Circaea *cordata*, shade, underwood; japanese, stoloniferous.
Cistus *sympitifolius*.
Clematis *Douglasii* rosea.
 " *Jackmannii*. Large deep violet flowers, climbing.

 " *grandiflorus*, from Portugal.
Daphne *Cneorum* major 1/6. Quite fragrant, rose.
 " *pontica*, evergreen shrub, green-yellow flowers, fragrant.
 " *petraea* (*rupestris*) 1/-. The dwarfest, evergreen, very rare.
Datura *Stramonium*, Medicinal, annual (Thorn Apple).
Delphinium *cachemirianium*, true, 1/-. Deep blue-violet, dwarf.
Dianthus *alpinus* 1/6. Dwarf, large carmine flowers.
 " *albus* 2/6. White form.
 " *brachyanthus* 1/-. Pink, Spain.
 " *caucasicus*, dwarf, deep rose.
 " *erythrocoleus*, grey foliage, dwarf.

- Dianthus** deltoides erectus, bright carmine, erect flowers.
 „ gallicus 1/-. Lilae-carmine.
 „ gelidus, carmine.
 „ glacialis 1/6. Bright carmine, green & narrow leaves, rare.
 „ lusitanicus, from Portugal.
 „ microlepis 1/-. Very dwarf & compact, pink flowers.
 „ noeanus 1/-. White flowers, rare.
 „ serpyllifolius, carmine flowers.
 „ tymphresteus 1/-. Greece.
- Dracocephalum** Mairei 1/-.
 „ Purdomii 1/-.
Drosera intermedia, Sphagnum culture.
- Dryas** intermedia, white.
 „ octopetala grandiflora, large white flowers.
- Epigaea** repens 1/-. Trailing ericaceae.
- Epilobium** angustifolium album, big white spikes.
 „ luteum 1/-. Dwarf yellow.
- Epipactis** atrorubens, deep red hardy orchid of the woods.
- Erica** mediterranea, pink, late flowering.
 „ umbellata 1/-. Portugal.
- Erinacea** pungens 2/. The rare blue-violet broom, deep green.
- Erinus** Dr Hanelle 1/-. Bright crimson.
- Eriogonum** Allionii, pale yellow.
- Eritrichium** strictum 2/-. Light blue flowers, Chili.
- Erythronium** grandiflorum robustum, rich yellow flowers.
- Erodium** Guicciardii 1/6. Pink flowers, Greece.
- Euphorbia** Paralias, from Portugal.
- Ferula** gigantea, tall ornamental umbelliferae.
- Forsythia** Fortunei, spring flowering shrub, very bright yellow.
- Frankenia** pulverulenta 1/-. Little carpeting plant, small pink flowers.
- Fritillaria** atropurpurea 1/-. Deep purple.
 „ lanceolata 1/-. Tall plant, purple flowers.
 „ pudica 1/-. Yellow & purple bells.
 „ pontica 1/. Asia Minor.
 „ Purdii 1/-. white and purple.
 „ pyrenaica 1/-. Dark brown & green.
- Gaillardia** atropurpurea, deep red.
- Galanthus** Elwesii, large white flowers, Asia Minor.
 „ nivalis, the Snowdrop.
- Galax** aphylla, white spikes, roundish leaves.
- Galega** officinalis, blue-lilac leguminosae.
- Genista** horrida 1/-. Dense shrub, covered with yellow flowers.
 „ tridentata, from Portugal.
- Gentiana** acaulis grandiflora 1/6. Large blue trumpets.
 „ alba 2/6. The rare white form.
 „ alpina 1/6. Smaller flowers, smaller leaves.
 „ cordifolia 1/6. Very good blue, dwarf.
 „ Farreri 1/6, beautiful asiatic.
 „ Farreri pale form 1/6.
 „ linearis, North American.
 „ Purdomii 1-. Prostrate stems, purple-blue.
 „ „ azurea 1/-. Sky-blue.
 „ rhaetica, annuel.
 „ rigescens annuel.
 „ sceptrum 1/-. Deep blue, clustered.
 „ serrata 1/6. Blue.
 „ uliginosa, annual.
 „ utriculosa, annual.
 „ verna 1/6. The dwarf spring gentian, rich blue.
- Geranium** Farreri 1/6. (Napuligerum), Salmon-pink flowers, rare.
 „ lancastricense 1/6. Salmon-pink, dwarf.
 „ Parryi 1/.
- Geum** reptans 1/-. Large bright yellow, stoloniferous.
 „ rhaeticum 1/-. Collected in Engadine.
- Gypsophila** cerastioides 1/-. Very dwarf, large white flowers.
 „ pacifica, pink flowers.
- Haberlea** Ferdinandi-Coburgii 1/6. Lavender Coloured.
- Halimodendron** argenteum, silvery leaves, pink flowered leguminosae, shrub.

- Hamamelis** japonica, japanese shrub, pale yellow flowers.
 „ mollis.
 „ virginiana, yellow flowers.
Helichrysum Stoechas, yellow flowers, South of France.
Hemerocallis Middendorffiana, large lemon-yellow flowers.
Heuchera sanguinea «Pluie de Feu», brilliant scarlet bells.
Hieracium pilosella, hairy leaves, clear yellow.
Houstonia tenuifolia 1/-. Very small pink flowers.

Inula magnifica, beautiful herbaceous, large yellow flowers.
Iris arenaria 1/-. Dwarf hungarican, pale yellow.
 „ virescens, yellow.
Jasione perennis 1/-. Dwarf plant, with light blue globes.
Jeffersonia diphylla 1/-. White japanese flower.
Juncus zebrinus, stems alternated green and yellow, bog plant.
Koeleruteria paniculata, yellow flowered shrub, North China.
Kniphofia hybr. «Express» red and yellow.
Laurentia Micheli 1/-. Violet-blue, Sphagnum culture.
Lavandula multifida 1/-. Violet flowers, Morocco.
Lewisia brachycalyx 1/. Lavender & white flowers, rare.
 „ Finckii 1/. Pink flowers.
 „ Howelii 1/-. Salmon pink.
 „ rediviva 1/-. Pale pink.
Liatris callilepis, brilliant carmine spikes.
 „ best sp. mixed.
Lilium candidum hybr. «Salonika».
 „ „ «Charles X».
 „ Chaixii, a yellow form of croceum, of Maritimes Alps.
 „ formosanum roseum, delicate rose shaded.
 „ Henryi, orange-yellow.
 „ sutchuense 1/6. An interesting novelty bright orange yellow, spotted.
Linaria anticaria, dwarf spanish.
 „ pilosa 1/-. Violet-lilac.
 „ purpurea, dark violet.
Lindelofia anchusoides, Himalayan Boragineae.
 „ longiflora, blue flowers.
Linum heterocarpum, blue flowered.
 „ hypericifolium 1/6. Pink flowers.
Lithospermum olaeofolium 1/-. Clear blue, dry walls, Pyrenees.
 „ petraeum 1/-. Blue tubular flowers.
 „ rosmarinifolium 1/-. Alpine House, azure flowers in Winter.
Mandragora officinarum 1/-. Medicinal Mandrake.
Matthiola pedemontana 1/-. Greyish narrow leaves, purple flowers.
 „ valesiaca 1/-. Lilac flowers, dwarf.
Meconopsis cambrica sulphurea, lemon-yellow.
 „ cambrica flore pleno, double form
 „ Dhwojii 1/-. Yellow flowers.
 „ integrifolia 1/-. Yellow flowers.
 „ rigidiuscula 1/-. Rich blue flowers.
 „ regia 1/-. Large yellow flowers.
 „ violacea 1/-. Blue violet flowers.
Michauxia campanuloides 1/-. White flowers, biennial.
Moehringia dasiphylla, very dwarf, small white flowers.
Monarda fistulosa, lavender blue.
Muscari Heavenly Blue, beautiful blue liliaceae.
 „ Moseleyi, blue.
Nierembergia coerulea (hippomanica) 1/6. Beautiful blue, from Chili.
 „ frutescens, white, blue veined.
Ononis cenisia 1/6. Very dwarf, pink flowers.
Onosma Aucherianum, dry and sunny position.
Ornithogalum pyramidale, greenish flowers in spikes.
 „ mixed species.

- Paedorota** Bonarota, unusual blue Scrophularineae.
Paenonia anomala, light carmine, Slow germination.
 „ lusitanica, from Portugal.
 „ pulcherrima.
 „ deep red single.
Papaver pyrenaicum 1/-. Yellow.
 „ rhaeticum 1/-. From Engadine, brigh yellow.
Pentstemon hirsutus, violet-purple.
 „ pygmaeus, good rock plant, blue.
 „ secundiflorus, Western America.
Petrovskia abrotanoides 1/-. Himalaya.
Phlox subulata 1/-. Garden varieties mixed.
Phyteuma comosum 1/6. The rare Campanulaceae, blue.
Polygala Vayredae 1/6. Yellow and carmine, shade, northern walls.
Potentilla atrosanguinea Gibson Scarlet 1/-.
 „ Beesiana, shrub with silky leaves, long flowering period, yellow.
 „ Dombeyi, Chili.
 „ megalantha 1/6. Large golden and orange flowers, japanese.
 „ Salesoviana, Himalaya.
Poterium rupiculum, Spain.
Primula Bullesiana 1/-. Hybrid Beesiana X Bulleyana.
 „ cachemiriana «Excelsior», improved form.
 „ deorum 1/6. Rare from Balkans.
 „ japonica rosea, pink.
 „ longiflora 1/6. With long calyx.
 „ microdonta violacea, violet form.
 „ marginata grandiflora 1/6. Large flowered, violet-lilac.
 „ muscarioides 1/6. Deep blue.
 „ Poissonii 1/6. Deep purple.
 „ rosea Micia Visser de Geer 1/6. Very fine & brigh carmine form.
 „ vittata 1/-. Purple.
Ramondia serbica 1/6. Lavender-blue, northern exposure, walls.
Ranunculus alpestris 1/-. White flowers, glossy leaves.
 „ amplexicaulis 1/6. White flowers, Pyrenees.

 „ Juriscii, nice herbaceous, blue-mauve flowers.
 „ „ alba 1/-. White form.
Saponaria Cypria 1/6. Rare from Cyprus Island, long tubular Corolla.
Sarracenia flava, pale yellow, bog plant. Sphagnum culture.
 „ minor, pale yellow.
 „ rubra, deep purple.
Saxifraga aretioides 1/6. Pyrenean Kabschia, very small & compact rosettes
 yellow flowers.
Saxifraga crassifolia, Bergenia section.
 „ decipiens grandiflora, white Mossy, large flowered.
 „ hypnoides nana rosea, pink & dwarf mossy.
 „ Stracheyi, Bergenia.
 „ tombeanensis 1/6. Rare, compact rosettes, white flowers.
 „ Zelebori, incrusted.
Seilla chinensis, blue flowers.
 „ monophyllos, Portugal.
 „ nutans rosea, the pink form.
Sedum anglicum var. arenarium.
Sempervivum acuminatum, pale pink flowers, large rosettes.
 „ alpinum, rosy-purple.
 „ assimile, pink flowers, small rosettes.
 „ brachiatum, large rosettes, pink flowers.
 „ charolensis, recent hybrid.
 „ cinarescens, pink flowers, glaucous leaves.
 „ glabrum, pink.
 „ pallescens, pale rose.
 „ rubescens, purple.

- Sempervivum** ruthenicum, large rosettes, pale lilac flowers.
 „ Sabaudum, pink.
 „ Verlotii, small deep glossy green rosettes.
 „ Webbianum 1/-. Cobwebbed rosettes.
- Senecio** alpinus, bright yellow.
- Sideritis** glacialis, Spain.
- Silene** Elisabethae 1/-. Bright carmine, large flowers.
- Sisyrinchium** californicum, yellow flowers, summer.
 „ graminifolium, from Chili.
 „ grandiflorum, purple flowers.
 „ iridifolium, violet.
- Solanum** dulcamara, violet flowers, climbing.
- Symphytum** officinale, creamy-yellow.
- Taxus** adpressa, a more compact form of the Yew.
- Thalictrum** Bumaticum.
- Thlaspi** rotundifolium 1/6. Lilac-pink flowers.
- Thymus** ellipticus, a variety of Serpyllum.
 „ Marschallianus, large form of Serpyllum.
- Tolmiea** Menziesii, greenish flowers, woodland.
- Trollius** chinensis, rich yellow flowers.
 „ dschungaricus 1/-. Yellow.
 „ hybridus «Earliest of All», orange-yellow flowers.
 „ „ «Fire Globe», deep orange, large globes.
 „ „ «Goliath», brilliant orange.
 „ „ «Yellow Prince», pure yellow, dwarf.
- Tulipa** Kolpakowskyana, red & yellow.
 „ Kuschkensii, vermillion flowers.
 „ linifolia, scarlet flowers, undulated leaves.
 „ Michellii, red and yellow.
 „ Oculus-Solis, scarlet.
 „ Ostrowkiana 1/-. Bright red flowers.
- Ulex** europaeus nanus, dwarf gorse.
- Umbilicus** persicus 1/-. Pink flowers, purple tipped leaves.
- Veratrum** nigrum 1/-. Deep brown-purple spikes.
- Verbascum** phoeniceum luteum, yellow border plant.
- Veronica** satyroides, short blue spikes.
 „ virginiana rosea, pink spikes.
- Viola** cenisia 1/6. Rare alpine pansy, dwarf, lilac-blue.
 „ cornuta var. «Wermig», near to the type, free blooming.
 „ cucullata, violet.
 „ gracilis alba grandiflora 1/-. Pure white.
 „ „ purpurea, blue purple, free blooming.
 „ hirta, violet-lilac.
 „ Jersey Gem, blue-violet.
 „ odorata rubra, bright purple sweet violet.
 „ „ var. «Cœur d'Alsace», pink-purple.
 „ pedata 1/-. Rich blue-lilac.
 „ pinnata 1/-. Lilac and violet, divided leaves.
 „ Zoisii 1/6. The rare rich yellow calcarata.
- Wahlenbergia** bosniaca 1/-. See Edraianthus in main list.
 „ caudata 1/-.
 „ parnassica 1/-.
Wulfenia carinthiaca alba 1-. White spikes.
